## **Grand Parkway (State Highway 99) Segment B from SH 288 to IH 45, Brazoria and Galveston Counties**

This is a humorous look at a serious topic of how people do unkind things and then try to cover them up through humor, proclamations of innocence, and blaming others. Through stories, the author shows that no one can be a sh\*t without your consent, but they can succeed as b\*stards, pr\*cks, schmucks, and weasels all on their own. Read this book and you will be ready to dethrone the next person who dumps on you. For those who aspire to be sh\*ts, this book is a step-by-step guide. For those who want to be accountable, this book shows how. It is custom-made for readers who prefer not to read slang in texts. Each of the slang terms have asterisks in key places. This book also shows how to develop and test theory using qualitative methods and makes a great research text.

Self-help Plus (SH+) is a WHO developed multimedia, guided self-help stress management course delivered over a period of five weeks to groups of up to 30 people at a time. It is delivered by supervised, non-specialist facilitators who complete a short training course and use pre-recorded audio and an illustrated guide (called Doing What Matters in Times of Stress – An Illustrated Guide) to teach stress management skills. The course is suitable for anyone who experiences stress, wherever they live and whatever their circumstances. The format of SH+ also makes it well suited for use alongside other mental health interventions, as a first step in a stepped care programme, or as a community intervention delivered alongside broader community programming.
