

Charlotte

Charlotte's Vow

In 1912, 15-year-old Charlotte takes a job in a Vancouver Island dynamite factory, braving her mothers disapproval for the chance to bring in some extra cash.

Charlotte's Tree

Charlotte's Tree is a multi-generational saga based on true characters in LaFlorya Gauthier's family history. There are three books: the first chronicles the life and times of Charlotte, LaFlorya's great-great grandmother who was raised by her free midwife Aunt Iona, and relates her epic struggles from 1827 to 1902. The first book opens in Crystal Springs, Mississippi in the year 1827, on the day that an orphaned seven-year old Charlotte accompanies her Aunt Iona on a double mission: to bring Lucie Mae's baby into the world and to "do" for Miz Blaylock, wife of Doctor Blaylock who is Aunt Iona's sponsor and benefactor. As the drama unfolds, Charlotte experiences vicissitudes of life in a small Mississippi town where slave owners and slave "poachers" are as menacingly unpredictable as the poverty of its black families is pervasive. Even the "papers" carefully wrapped in oiled parchment and carried as proof of status--freedom or "owned"--are not protection enough from abductions, murder, rape and mutilation. As Charlotte matures and emerges as the most capable midwife in the area, she marries a preacher and raises children of her own. But life in the backwaters of central Mississippi is changed forever by the events of the civil War and its aftermath. In the final scene of book one, an aging Charlotte and her young grandson are driving a battered buckboard back to Charlotte's old home where she plans to spend her final days.

Charlotte's Inheritance

Teaching units to accompany the study of the novel Charlotte's web by E.B. White.

Charlotte's Web (ENHANCED eBook)

Follow the pages of this book into the special world of a little girl and her beloved pony. From their first birthday meeting, Sugar and his owner joyfully search out Gods love together each day. On her eighth birthday, Charlotte gets Sugar, a sweet palomino pony. They have a very exciting first day together, doing everything from cantering the open fields to attempting a bubble bath to get the mud off! This delightful story comes complete with Ann Kronheimers exquisite pencil sketches and a fill-in-the-blank about your own pony. Charlottes Birthday Surprise is a sure guarantee to capture your heart!

1637-1887. The Munson Record

Vol. for 1889 contains, also, "Bulletin, no. 67 a\

Charlotte's Birthday Surprise

In her time Charlotte Yonge (whose publications span the precise years of Victoria's reign) was as popular as Dickens. Her novels reflect her close involvement with John Keble, inaugurator of the Oxford Movement, and record every stage and detail of the Movement throughout the century at parish level, and how it was received by the middle-classes in a rapidly-changing society. In the light of recent biographical discoveries, published and unpublished letters, non-fiction material such as her articles in the Monthly Packet, and

consequent re-reading of Charlotte Yonge's novels, this study reveals the pervasiveness of the Oxford Movement in society.

The life of Charlotte Brontë, by E.C. Gaskell; introd. and notes by Temple Scott and B.W. Willett

To which is prefixed a concise history of English and American Short horns, compiled from the best authorities.
