The snow glows white on the mountain tonight

A kingdom of isolation

And it looks like I'm the queen

The wind is howling like this swirling storm inside

Don't let them know

Turn away and slam the door

To test the limits and break through

You'll never see me cry

My power flurries through the air into the ground

My soul is spiraling in frozen fractals all around

And I'll rise like the break of dawn

Let the storm rage on!

The cold never bothered me anyway
