Night Huntress is a series of seven urban fantasy romance novels by author Jeaniene Frost. The first novel was published in 2007 by Avon and took place in a world where supernatural creatures exist but are not known to the general public at large. The series initially focused on the character of half-vampire, Catherine "Cat" Crawfield and her full-vampire lover, Bones. But eventually, the book shifted focus to other characters such as Vlad Tepesh, a character that Frost had initially not planned to include.
