

# Tootle

## Great Speculations

This periodical is comprised mainly of book reviews. The majority of the books reviewed are religious in nature, however, books with various topics-most notably books on historical topics and books of poetry are also reviewed.

## The Flute Preceptor, etc.Op.iii. 20th edition, with additions..

From the coauthor of the “excellent” Mr. and Mrs. North mysteries: Everything goes to the dogs when Inspector Heimrich must solve a veterinarian’s murder (The New Yorker). Inspector M. L. Heimrich of the New York State Police may not have the flash of hard-boiled city detectives, but there’s no lead the intrepid investigator won’t follow until his every hunch is satisfied . . . When his Great Dane, Colonel, suddenly takes ill, Inspector Heimrich takes the dog to a local vet. Unfortunately, Dr. Barton isn’t able to take the case—he’s lying dead on the clinic’s floor. Now, Heimrich has a case of his own. It’s no surprise to find a needle somewhere in Dr. Barton’s vicinity—after all the man was diabetic—but the residue inside the syringe found next to the body isn’t insulin; it’s a toxic plant extract that causes asphyxiation. With an exotic murder weapon and no obvious motive, Heimrich will have to examine those closest to the good doctor. Since there are suspects aplenty, his investigation risks barking up the wrong tree. But no matter how long it takes, the experienced officer intends to see that justice has its day. The Tenth Life is the 23rd book in the Captain Heimrich Mysteries, but you may enjoy reading the series in any order.

## Ballads of a Bohemian

This book is a comprehensive guide to the history and implementation of the tootling intervention that was designed to increase prosocial behaviors in school-aged children. Implementing Tootling Interventions provides practitioners with the resources and information needed to implement tootling effectively and successfully in their desired setting to increase prosocial behavior, decrease disruptive behavior, and increase academic engaged time for students. To address individuals of all abilities and ages, modifications are provided for early childhood education, elementary education, middle school, high school, special education, after-school programs, and more intensive behavioral settings. Specific components within tootling that lead to its effectiveness are discussed, along all the information and resources needed for this feasible, cost-effective intervention to be implemented. This book is ideal for classroom teachers, school psychologists, social workers, or other school professionals looking for a practical and effective intervention to increase the prosocial behavior of their students.

## A New&complete Tutor, for the German Flute ... with a Collection of Airs, etc

Reprint of the original, first published in 1881. The Antigonos publishing house specialises in the publication of reprints of historical books. We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage.

## The Illuminated Magazine

A Step-By-Step Guide for Coaching Classroom Teachers in Evidence-Based Interventions is a practical guide for school-based professionals. Combining evidence-based practices with the authors' real-life experiences working with classroom teachers, it represents a decade of research. The authors offer step-by-

step approaches, based on hundreds of case examples, to overcoming some of the most difficult challenges faced by coaches and teachers in terms of implementation of evidence-based interventions. This book describes the coaching model and offers strategies for monitoring, enhancing, and troubleshooting teacher implementation. In addition to establishing positive coach-teacher relationships, the authors demonstrate how coaches can incorporate strategies that reflect core principles of behavior change, including modeling, reinforcement, and performance feedback. More than 20 handouts are shared in the appendix of the book. No other text features this distinctive blend of theory, research, and real life experiences, making it a valuable and unique contribution to the field.

## **Alexander's Improved Preceptor for the Flute ... to which are added a selection of admiral airs, etc**
